

CLASS LIST INFORMATION

Century Nursery School prepares a class list each year that will be distributed to parents of each class. Parents have found this list helpful for forming carpools, learning parent names, and associating each child with their parents. This list will contain each child's name, address, telephone number, date of birth, and parents' names.

If there is a specific piece of information you **DO NOT** want put on this list, please indicate what we should omit below. If nothing is listed, all of the information noted above will be made available on the class list.

DO NOT LIST: _____

Child's Name: _____

Parent's Signature: _____ **Date:** _____
