

FIELD TRIP PERMISSION SLIP

Children will be participating in several field trips throughout the school year. While notices detailing each field trip will be given out in the weeks prior to the outing, this form grants permission for your child to attend all field trips during the school year. If there is a specific trip you do not wish your child to participate in, you may notify the director at that time.

I give my child, _____ permission to go on field trips with Century Nursery School.

Parent's Signature: _____ Date: _____
